REASONS FOR ALLOWANCE

differs from prior art devices on this point and there is no evidence it would have been obvious to make this change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Comment on Applicant's 371P

Applicant submitted on 04/13/2006 the International Search Report stating that Pool, EP 0 872 897 anticipates claims 1 of PCT/GE/2005/01005 original Application, and Hyniecek, US 5,134,087 anticipates claims 2 of PCT/GE/2005/01005 original Application, as well as claims 3 – 13. However, claims 1 -13 are cancelled in this Application. In any case, Pool and Hyniecek do not anticipate the amended (on 08/17/2009) claim 1, specifically for “...“...a plurality of parallel channels by channel walls.”
